OPERATING / IN-PLACE OFFERING*
CO-PACKING FACILITY
with 300,000 BARREL BREWERY
\$44 MILLION CAPEX INVESTED — 108,000 SF FACILITY

FORMERLY OPERATED BY 21st AMENDMENT BREWERY
LOCATED IN SAN LEANDRO (BAY AREA), CA

Brand/IP not included in sale

The 21st Amendment co-packing production facility in San Leandro offers a rare, turnkey brewery opportunity in one of the Bay Area's leading brewing corridors. The facility is currently operational and includes an installed KHS 530 CPM canning line—enabling immediate brewing, packaging, and onsite service—plus a large-scale brewhouse, extensive tank infrastructure and built-out taproom.

Located within a purpose-built industrial facility, the property provides scale and flexibility for an owner-operator, expanding brewery, or contract brewing platform seeking a production-ready presence in San Francisco Bay Area.

**Operating / In-Place Sale – Subject to New Lease Consummation with Landlord*

FACILITY HIGHLIGHTS
